

# Searching Worksheet: Research 101

Your Name: \_\_\_\_\_

Class & Section: \_\_\_\_\_

Research Topic: \_\_\_\_\_

## **Searching Databases:**

1. Based on the disciplines you choose under TOPICS, list the names of 4 databases you think should have information useful to your research and *list your reasons for selecting each*. Your answer should reflect what you know about a database's *coverage and disciplinary orientation*:

2. Perform a search for information relevant to your research for each database you listed above. List below the ***exact search statement*** you used, (including which specific fields you searched), whether or not the search was effective and why.
